The 'Search participant' form has a dark header with the title and a close button. Below is a search bar for HCR # with an example 'ex: 4563485965'. An 'Or' separator follows. There are two input fields for 'First name' and 'Last name', both marked with a red asterisk. Below these is a 'Date of birth' field, also marked with a red asterisk, featuring a calendar icon and the format 'YYYY-MM-DD'. A blue 'Search' button is on the right. A 'Previous' button is at the bottom left.

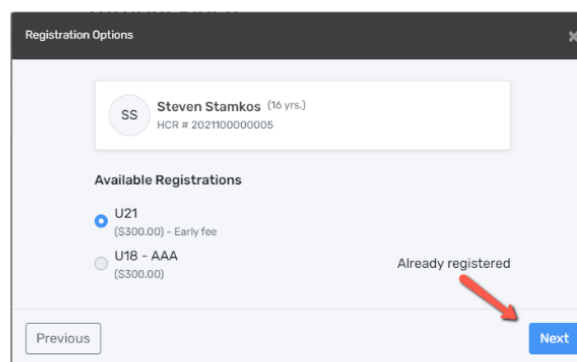

Enter in your child's name and birth date. Then click on the BLUE BOX -- Search

Your child's name should appear, if for some reason it doesn't try typing in their full first name as opposed to the short version or nickname -- ie. Michael vs Mike. If you still can't find your child's name and they were registered last season please email registrar@frontenachockey.ca.

When you see your child's name appear -- click on SELECT

The system will then show all the available registration packages for the selected participant. Select the package and click the *Next button* to continue. (see picture below)

The 'Registration Options' screen shows a participant card for 'Steven Stamkos (16 yrs.)' with HCR # 2021100000005. Below, under 'Available Registrations', are two options: 'U21 (\$300.00) - Early fee' which is selected with a blue radio button, and 'U18 - AAA (\$300.00)' which is unselected. A red arrow points from the text 'Already registered' to the 'Next' button at the bottom right. A 'Previous' button is at the bottom left.
